[EPA Options for FIP discussion points.docx](#)

Jody and Claudia - we are have an internal meeting today to go over thoughts about the next steps in the Basin and I just put a quick summary of what I believe I heard EPA state as 4 possible options for a FIP. Nothing fancy, just discussion points, so hoping you could give these a quick look to make sure I captured the essence of the 4 proposed options you all are thinking of? Our meeting is at 3 this afternoon, sorry for short notice and thanks for any time you can give to take a look!
